Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 08 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Intermittent rain possible in west tonight. Warm sunny spells Sunday.

This Evening and Tonight:
Eastern areas will be mainly dry, although intermittent rain is possible in north and west. Brisk southerly winds will continue, still strong along coasts. Overall, temperatures will be on the mild side. Minimum temperature 8 deg C (46 deg F).

Sunday:
Becoming mainly dry with cloud breaking to sunny spells. Feeling pleasantly warm in afternoon sunshine. Showers developing later, perhaps heavier and thundery during the evening and overnight. Winds easing later. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Often sunny with scattered showers developing each day, these sometimes heavy and perhaps thundery. Mainly dry during the nights. Feeling pleasant in sunnier weather, but with cool nights.
